SPESSARDY'S TRAINED BEARS AT THE COYLE TONIGHT

THE CHARLEROI MAIL

Entered second class matil at Charleroi, June 15, 1900, according to Act of Congress of March 8 1879

VOL. X. NO. 194. CHARLEROI, WASHINGTON CO., PA., WEDNESDAY, APRIL 6, 1910. One Cent

COUNCIL AND SCHOOL BOARD BEGIN BIG JOB TONIGHT

Tax Exoneration List Contains About 2,000 Names.

NEARLY ALL OCCUPATION

Property Taxes Are Well Paid Up in the Borough of Charleroi.

When council and school board meet jointly tonight for the express purpose of taking up the list of tax exonerations in the borough of Charleroi, they will stack up against a big job. It is stated that there will be at least 2,000 names for them to go over and the prospects are for at least two long hard evenings for the borough fathers.

The list of exonerations prepared by Ex-Tax Collector Parsons and Tax Collector J. W. Mathias are practically all for occupation taxes. For the year 1906, all the property taxes are paid, and nearly all for 1907. For 1908 there are a possible 200 yet to collect.

In the occupation taxes for the year 1906 it is stated there are about 200 names on the exoneration list, for 1907 about 500, and for 1908 about 500 names. The names are those of persons whom the tax collectors have not been able to locate, or who have moved from town.

According to the report of Ex-Tax Collector Parsons at the meeting of council on Monday evening, there is $3,660.21 of a balance of uncollected duplicate. The larger part of this is for the year 1908, $2,007.81. For 1907 the balance of uncollected duplicated is $1,202.91, and for 1906 $386.49.

STATE DEPUTY WILL ATTEND RECEPTION HERE ON APRIL 20

The Charleroi Order Knights of Columbus has a social committee consisting of H. T. Correll, D. A. Oates, J. R. Rickey, M. F. Crowley, Cornelius Buchanan, J. P. Regan and Cornelius O'Donnell at work arranging for a reception, dance, euchre and smoker to be held at Turner Hall April 20. The affair will be attended by State Deputy John T. Brew, and is expected to be one of the nicest events ever held by the local order. Invitations have been extended to Sir Knights and their ladies in Charleroi, McKeesport, Washington, Pittsburg and other cities. It is expected that there will be some speaking, and in all probability Mr. Brew will make an address.

Spring Social.

The Christian Endeavor of the Washington Avenue Presbyterian church are going to hold a novel social at the church on April 7, Thursday evening, at 8:15 in honor of Spring. There will be no admission chargd and all are welcome. Decorations will be of wild flowers. 195t2

Delicious.

Brick Ice Cream is the most satisfactory way of serving. Try it. Always on hand at Wagner's. 193t1

Clever Child Artists

Local interest is added to the appearance of Miss Elizabeth Hite at the Coyle Theatre this week in the child song and dance team of Blum and Hite, from the fact that she is the daughter of Charles Hite of McKean avenue, who is employed at the Macbeth-Evans factory. This dainty and clever little miss is only 9 years old, yet she and her partner, Miss Harriet Blum, have already made a good record on the vaudeville stage. They finish their engagement tonight at the Coyle.

PARENTS' AND DISPLAY DAY

On Friday afternoon the first Parents Day in the Charleroi schools this year will be observed, along with display day. Arrangements are being perfected now for the affair, and it is planned to make it one of the best Parents Days ever held in the history of the schools.

The principal feature of the day will be the displaying of work done by every pupil, in every branch of study. These specimens have been saved from the beginning of the year, and this week are being hung in a tasty manner about the various rooms.

Slightly contrary to custom on this particular visiting day there will be some slight change in the usual program. During the afternoon there will be three divisions to the program. The first will be a regular session, during which the teacher will conduct their classes as usual. The next will be literary programs rendered each school, which the grades will conduct conjunctively. This part of the program will consist of the usual literary features and drills. Following this the parents and visitors will be ushered from room to room that they may see and compare the work being done by pupils.

On Thursday afternoon in order that there will be no interference with the adult visitors on Friday the children will be taken for a visit through the schools. The Parent's Day will be the last one for this year, and Superintendent Pentz, the principals and teachers are anticipating a record breaking number of visitors.

Notice.

The Retail Clerks of Charleroi wish to express their thanks to the merchants who have so willingly signed and complied with the agreement of the Retail Clerks relative to the early closing of the stores

They also earnestly solict the patronage of all friends and sympathizers of organized Labor also the public in general to paronize our home merchants, and more especially thoset who display the Union Store cards who believe that twelve hours is long enough for anybody to work.

We also earnestly request the public to aid us in this move by purchasing their goods in the day time when they can make better selections and will receive better service from clerks who do not have to work from early morning till late at night. 195t2

Miss Agnes Rosbottom returned home yesterday after spending some time with friends and relatives in West Virginia.

SHIPMENTS ON INCREASE

There were 19,405,000 bushels of coal locked through Lock No. 4 during the month of March, according to a report of Lockmaster A. F. McGowan, made public this morning. This compared with the 1909 shipments of 17,175,000 indicates a substantial increase.

The lockages down stream were 838, this including 455 steamers. Boats barges and flats were 1,728. Up stream there were 849 lockages, 448 steamers, and 1,754 boats, barges and flats.

During March 1909 there were 718 lockages down stream, 394 steamers and 1,571 boats barges and flats. Lockages up stream were 710, with 389 steamers, and 1,522 boats, barges and flats. The rainfall in March, 1910, was .37 inches and in 1909, 3.01 inches.

In February there were 16,524,000 bushels of coal shipped through Lock 4, and in January 15,153,000 bushels.

MINE QUESTIONS GIVEN OUT TODAY IN EXAMINATION

The questions yesterday afternoon given the applicants for mine foreman certificates by Inpsector F. W. Cunningham, who is in charge of the examination now being held at the Charleroi Savings and Trust company were:

6. State what precautions you would take to reduce accidents from falls of coal, slate and roof.

7. What precautions would you adopt to reduce accidents from the use of electricity and machinery connected therewith.

8. What would be the necessary requirements and the details to be attended to, to insure the proper ventilation of a mine?

9. When would you consider a mine properly ventilated?

10. What are the legal duties of a mine foreman in regard to supplying the workmen with timber and in the use fo the same for his safety?

11. State the causes of mine fires?

12. What are the legal requirements of a mine foreman in regard to reported dangers in the visiting of workmen's places?

13. How would you increase the ventilating current at the working face with the same power?

These questions were second grade questions, Section 2. The questions given this morning, second grade questions, Section 3, were:

14. What conditions are sometimes met with in the working of a mine which would retard its being efficiently ventlated?

15. What would be your method of timbering a room 24 feet in width, the roof being a hard slate and bottom of strong material. State fully.

16. A shaft 500 feet deep is full of water. What is the pressure per square inch and per square foot at the bottom of the shaft?

17. Name the conditions under which the rope or motor haulage systems would become preferable.

18. What precautions would be necessary in working rooms toward the worked out portions of the mine to provide against falls of slate and roof?

19. When should draw slate be posted in machine cut rooms and entries? Give sketch showing how same should be done in each case.

20. A fan 16x8, running at a speed of 100 revolutions per minute, producing 125,000 cubic feet of air, the water gauge being 2 inches, what would be the speed of the fan and the water gauge to produce 150,000 cubic feet per minute.

21. Name the different powers and appliances used in producing ventilation in mines.

A Man Wanted.

WANTED—A man who has finished a house with adulterated Varnish. When he builds again he will inquire for me at T. P. Grant's store.
67 CHI-NAMEL.

Miss Gertrude Minor went to Cleveland, Ohio, today where she will visit relatives. She was accompanied as far as Pittsburg by her brother-in-law, J. F. Laird.

SUBSCRIBING FOR PATROL

For the proposed automobile patrol for Charleroi the sum of $510 has been subscribed, apparently without any effort on the part of the originators of the idea. The subscriptions were all received yesterday. They are: Burgess George W. Risbeck, $100; Charleroi Automobile Co., $100; Chief of Police C. W. Albright, $25; Officer George McEldowney, $25; Officer Alva Osborne $25; W. M. Darby $10; J. J. Hott, $100; Adolph Beigel $25; A. D. Spencer, $100. The movement to secure the automobile was started by Chief Albright and his men, at the suggestion of thers, who had become tired of seeing the "wheelbarrow patrol" in operation.

EARLY CLOSING HOURS BEING ENFORCED IN CHARLEROI THIS WEEK

On Monday evening about all of the principal stores of Charleroi closed at 8:30 p. m. in accordance with an agreement signed with the Retail Clerks union. The closing hours agreed upon are as follows: 8:30 p. m. Monday, and 6 p. m. Tuesday, Wednesday, Thursday and Friday.

This is the result of the united efforts of all the clerks and business men of Charleroi in bringing about the early closing movement which enables them to close the stores and seek an evening's recreation. This system is in force in hundreds of towns all over the country and brings about a better feeling between the merchants and the clerks, as well as between the competing merchants, as they get a chance to get better acquainted with one another.

Expect National Guard Officers to Judge Drill

A committee of Charleroi business men, consisting of R. H. Rush, W. R. Gaut and J. W. McKean has completed preliminary arrangements for a competitive drill to be held at the Charleroi Baseball park sometime in the near future, probably the latter part of next week, between the Monessen Cadets, the Monongahela Cadets and the Charleroi Boys Brigade. It is planned to have National Guard officers from Washington, Westmoreland and Fayette counties to act as judges, among whom may be Col. Coulter of Greensberg. The idea grew out of the competitive drill between the Charleroi and Monongahela brigades last Friday.

Beallsville.

Mr. and Mrs. Wilbur Watkins of Cameron, W. Va., are spending a few days with relatives and friends.

Mr. and Mrs. W. H. Weaver entertained at dinner Sunday Mr. and Mrs. Robert Nicholls of South Pigeon Creek and Mrs. Wm. Howden of Scenery Hill.

Mr. and Mrs. H. H. Dawson had as their guests Sunday Joseph Frederick and daughter of Vanceville, James Weaver and daughter, Miss Hilda of Garwood.

Dr. Harry Sargent and Mrs. Sargent of Braddock, after a visit at John Sargent's have returned.

W. R. Stephens, accompanied by Mrs. Stephens, spent the past week at Monessen.

E. E. Bishop is visiting friends in Pittsburg.

A very successful term of school taught by Ray Hetherington at Pigeon Creek has closed. No special program was carried out. The conventional big dinner was served at noon. Mr. Hetherington was the recipient of a handsome present from his pupils.

Notice

The favors for the euchre and dance to be held in Turner Hall Wednesday evening, April 13, for the benefit of St. Jerome's baseball team of the Church league, are on display in the windows of J. B. Schafer's jewelry store. These prizes, which are 20 in number, are particularly handsome. 195t6

REPORT OF MONESSEN BOARD OF HEALTH COMPARES WELL

Donora Seeking Free Delivery

Donora expects to have free delivery of mail within a few months. Board walks have been repaired as recommended and sign boards have been put up, the only thing remaining being to number the houses, and this matter is being taken up now. The receipts at the Donora office last year were $11,450 40, over $2,000 more than last year.

MANY ATTEND OPEN MEETING

The first open meeting of the Adult Bible Class Federation of the Charleroi district was held at Christ Lutheran church last night, and a large crowd attended. The affair was presided over by Coroner James T. Heffran of Speers, who is the district president of the Federation.

There were two sessions held, the first being addressed by Rev. Woodbury of Belle Vernon, in the auditorium of the church, his general theme being the federated movement. The second session was the social session in the Sunday school room, at which time the round table was held. The speakers at the round table were John D. Berryman, on "The Value of the Man;" G. H. Thomas, Monessen, "Man's Duty in the Political World;" W. S. Clark, "Man's Duty to His Church;" Theodore J. Allen, "In Union There is Strength;" James T. Heffran, "Character of the Federated Movement;" H. B. Pierce, Belle Vernon, "Possibilities of the Federated Movement," Rev. G. G. Kerr, "My Place in the Federated Movement."

Refreshments were served by the social committee. There were a number of out of town representatives present, from Belle Vernon, Monessen and Monongahela.

TRADES COUNCIL DISCUSSES IDEA OF CELEBRATION

Last evening was the regular semi-monthly meeting of the Monongahela Valley Central Trades Council which was held in the P. H. C. hall. There was a good attendance from all of the various trades unions of Charleroi and vicinity and several matters of great importance were discussed. Among them was the early closing movement of the merchants which received the hearty and unanimous indorsement of the entire body.

The advisability of holding a labor day celebration here on the first Mondy in September was discussed and further action will be taken later. Earl Taylor, a representative from the Retail Clerks, was elected secretary of the body, filling the vacancy caused by the resignation of J. P. Ferry.

Wednesday special at Wagner's: Orange Sherbet, Raspberry Sherbert and Burnt Almond Ice Cream. 194t1

Sixty-Two Cases of Tuberculosis During the Past Year.

NO SPREAD OF CONTAGION

Great Decrease in Number of Typhoid Fever Cases in Past Six Years.

Borough Clerk J. E. Pittman of Monessen has prepared the eleventh annual report of the Monessn health department for presentation to council at their next meeting.

The general statement is made that during the past year there was no contagion prevalent in the borough. Isolated cases of the most serious character were scarlet fever, diptheria and meningitis.

The following cases are reported: Pneumonia, 28; typhoid fever, 47; erysipelas, 6; scarlet fever, 27; measles, 26; mumps 3; chicken pox, 4; tuberculosis, 62; whooping cough, 11; diphtheria, 11; meningitis 2.

Following is a list of the typhoid fever cases which occurred each year for the past six years: 1904, 226; 1905, 136; 1906, 57; 1907, 52; 1908, 43; 1909, 47. There were 145 nuisances abated by the Monessen board during the year.

The report of Dr. Edwin McKay of Charleroi for the year was as follows: Tuberculosis, 21; typhoid fever, 15; scarlet fever, 26; diptheria, 25; miningitis, 2; measles, 120; German measles, 16; whooping cough, 7; chicken pox, 15; mumps, 4; erysipiles, 4.

Twilight School Closed Yesterday After Good Term

The Twilight No. 2 school, of which Miss Nelle Ryland of Charleroi is teacher, was closed for the spring and summer vacation yesterday with the usual rural school exercises. A literary program was rendered by the pupils in the afternoon. The school house was very prettily decorated in honor of the occasion with ferns and wild flowers. After the renditon of the program in the afternoon the teacher presented the special prizes for perfect attendance, and to each pupil gave a box of chocolate candy. Miss Ryland, who has had a very successful first year, was herself the recipient of several presents.

W. R. Markle One of Finest Boats

The W. R. Markel new show boat, with all the equipment of a magnificent palace instead of the customary floating theatre, passed through Lock No. 4 this morning at about 7:50 o'clock, and according to the lockmen was one of the most gorgeous sights ever seen on the river, comparing favorably with the larger Pittsburg playhouse. The boat stopped first at Belle Vernon, and will appear in Charleroi on its nothern trip in about three weeks.

The Great White Plague.

From annual reports of the health board, of Monessen and Charleroi, published elsewhere, it will be seen that tuberculosis cases in the two towns numbered 62 and 21 respectively. As this is a disease which is highly contagious and infectious, and which in most cases dooms its victims to certain death, it will be seen that the Great White Plague has a foothold in this community that should arouse all to a sense of duty in combatting and restricting its ravages.

It may not be generally known that a free State dispensary for the treatment of tubercular patients has been established in Monessen for some time and is doing good work. Little can be done however, in the treatment of advanced cases, although medical science had demonstrated that consumptives in the incipient stages can be cured by correct living and treatment. The presence of so many cases in these two towns that have been reported should command more attention on the part of the people generally in the matter of treating and preventing the spread of the disease. Care, watchfulness and frequent medical examinations should be made whenever the least suspicion is entertained that the disease may exist. Eighty-three cases of yellow fever or Asiatic cholera in the two towns would set the whole country aflame, yet tuberculosis is more deadly than either of these two diseases, and should be as much feared and combatted.

Do It Now.

Anent the Donora incident last week, when some widely divergent newspaper accounts appeared concerning a political meeting in that town, the California Sentinel suggests that it might have been a good plan for some impartial organ to have sent its representative there for the purpose of getting the facts and real sentiment of the meeting. To this the Washington Observer retorts that it had its representative there, and that its account must of necessity be correct, despite the lurid coloring with which the account was touched up.

While the Mail is satisfied with the real political sentiment that existed at the aforesaid political meeting in Donora, it is not too late yet for an impartial investigation, if some of the newspapers are still unsatisfied as to conditions there. The Mail will stand half the expense of sending a representative to Donora if the Observer will stand for the other half, and let the Sentinel select the man. An impartial investigation by that means might satisfy those who discredit the partisan reports of the papers who have their personal preferences.

Clear Up the Titles.

The legal proceedings instituted by the owners of the properties selected by the Government for the site of the Federal building in Charleroi, to clear up the titles of the old unsatisfied lien entered against a large portion of the site of Charleroi in 1839, is what every property owner in the affected plot should do. This must be done sooner or later, as it is not likely any such property could be transferred now until this flaw in the title is eliminated. In addition to this it is possible for other complications to arise that might be productive of more or less trouble in the future.

It has been suggested that this obstacle might be removed by a blanket proceeding that would include the entire original plot, now divided up into numerous holdings. While this might be rather a cumbersome proceeding, in view of the large number of individual property owners now affected, it would probably be cheaper than to take each property singly. As it is few people will care to invest in a property until the title is valid. It is not the part of wisdom to delay.

ELECTRIC SPARKS

The funniest part of some jokes is the way people refuse to laugh.

The man who invents a way to keep women's hats on, without resorting to those hateful pins, is scheduled to ecome a millionaire.

Among the upleasant knocks which councilmen and members of the school board get the year around come the relief afforded by going over the tax exoneration list.

Wonder if Horace Fletcher, the expounder of Fletcherism, thinks it will harm one to drink drug store booze?

Wonder why it is that the fellow who always wants you to do the most favors for him, always takes his business elsewhere?

One advantage of living in Abraham's time was the low price of beef steak.

Some millionaire might indulge his taste for antiques and promote the long life of the people in general if he would buy up the cold storage eggs.

The reason some maids refuse to work for some families is because the families want them to work all the time wihout sleep and feed.

"Now isn't that too nice for anything" will be a common expression on Friday, when the parents visit the schools. But when you hear that, you will always find that the parent is looking at her offspring's work.

If every individual property owner in Charleroi has to pay attorney fees, and all the other expenses of having their titles cleared, they never will again growl on the price of meat.

The funny part of it is, how can these music composers get any worse than they have been getting in the past? Yet every ragtime piece seems to be a little worse than the one before it.

In the matter of amending the peddling ordinance council did not think it wise to do so Donora News. Do so what?

CURING CATARRH

Accept Our Advice and Try This Remedy at Once.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh, therefore, may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflamation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication u; an complication, which may lead to her even more serious afflictions.

We honestly believe Rexall Mucu-Tone will do wonders toward overcoming catarrh. It is made from the presciption of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form to give Rexall Mucu-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that anyone could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and $1.00. Remember you can obtain it only at our store—The Rexall Store. John W. Carroll.

OPERNTORS AND MINERS ADJOURN WITHOUT ANY ACTION IN AGREEMENT

The miners and the coal operators of the Pittsburg district adjourned early yesterday afternoon without arriving at an agreement. Samuel Taylor in whose offices in the Lewis Block in Pittsburg the conference was held, said the status of the negotiations remain the same. He also said that the meeting ended without deciding when or where the next meeting is to be held.

Francis J. Feehan, president of the Pittsburg miners, said they had been unable to reach an agreement. Asked about the next meeting he replied it might be t day or tomorrow, but he was not sure.

The result of yesterday's conference indicates that the miners may be idle a little longer than expected, but there is no fear that a prolonged strike will ensue. Developments before the end of the week may greatly change the complexion of the present situation.

LOCAL NOTES

Brief Mention of People and Events in this Community.

W. A. McDermott and Miss Elsie Flickinger are in Pittsburg this afternoon to witness the play at the Nixon Theatre.

M. T. Crowley was in Pittsburg last evening to attend the Charity ball of the Duquesne Knights of Columbus.

This contractor got results.

Some years ago a contractor building a railroad in a warm climate was troubled a great deal by sickness among the laborers.

He turned his attention at once to their food and found that they were getting full rations of meat and were drinking water from a stream near by.

He issued orders to cut down the amount of meat and to increase greatly the quantity of Quaker Oats fed to the men.

He also boiled Quaker Oats and mixed the thin oatmeal water with their drinking water. Almost instantly all signs of stomach disorders passed and his men showed a decided improvement in strength and spirits. This contractor had experience that taught him the great value of good oatmeal.

The cost was small; 10c for regular size packages; it is also packed in large size family packages at 25c. 53

ANDERSON STRONG IN GREENE COUNTY

Waynesburg Republican Daily Paper Declares Strongly in His Favor.

The following article appeared in the Waynesburg Times on Thursday, March 31:

Mr. A. H. Anderson of Venetia, Washington county, Pennsylvania, a member of the Washington County Bar, and a young attorney of prominence, has announced his candidacy for State Senator in the Forty-first district, composed of Washington and Greene counties.

Mr. Anderson is the only son of the later Dr. D. M. Anderson of Venetia who for several terms represented Washington county in the Legislature, where he was held in the highest esteem and in which he exerted large influence. The name is an honored one in our neighboring county.

A. H. Anderson, Esq., familiarly called "Hop" Anderson by his fellow friends, is a young man of good character, strong in his friendships, well educated, clean-handed and commercially and legally successful. He is an alumnus of Yale, president of the First National Bank of Finleyville, Pa., a director in many local corporations and a first-class campaigner.

Though devoted to the arts of peace, when war with Spain was declared, he promptly volunteered in Co. H of "The Fighting Tenth," and under the brilliant Colonel Hawkins, saw full service in the far-off Philippines, where he more to make good in all times and places. Nobility was irksome enough to draw from him a protest, no task so severe as to induce a complaint; no ration so "rotten" as ever to get his name in a "Round Robin." He obeyed orders as a good soldier and was held a model service man by all his superiors as well as by his comrades. Of friends he had legion; of enemies, none, not only in the 10th Regiment but thoughout Uncle Sam's invading army, where he ranked as one of the most companionable of men and dependable of soldiers.

In proof of his popularity might be cited his election as president of the "Tenth," at its fifth reunion, an honor unique in military annals; and it might be added his executive ability has never been excelled.

Prior to the nomination for State Senator from the 46th district, then composed of Washington and Beaver counties, Mr. Anderson had been selected by many of the leading Republicans to be their candidiate for the State Senate, and as the nomination had gone to Beaver county the last time it was generally conceded that the nomination would come to Washington county. However, the Legislative Session of 1906 passed an apportionment bill, which put Washington and Greene counties together. Mr. Anderson still remained in the field, and looked as though he would receive the unanimous support of his county. However, the Hon. John M. Berry, for two terms a member of the Legislature and a prominent and well known man throughout the county, was announced, and being a very strong candidate, it was thought there would be a very close race. At the convention, however, it was found that Mr. Anderson's vote exceeded Mr. Berry's almost three to one and his popularity was shown more than ever by defeating such a strong candidate.

Greene county also had a contest between the Hon. D. S. Walton and Hon. J. P. Teagarden, which resulted in a victory for the former. The nomination than lay between the two counties, and Mr. Anderson, throughout the entire negotiations, was fair and just to Greene county, for as he had been delegated full power to make the rules, he agreed that Greene county should have equal representation. Two conferences were held, after which it was decided that the matter would have to be put up to the State Committee. While Mr. Anderson did all in his power to win he was absolutely fair in his treatment of Greene county, and was not deaf to the claims they presented.

When Senator Walton was nominated, Mr. Anderson and his friends supported him most loyally, making his election sure to the high office, which he has filled with such signal ability. Today Mr. Anderson's friends insist that he is the logical man to succeed to the Senatorship, and they ask Greene county Republicans to assist in his election to this office. Mr. Anderson is a successful business man, in close touch with the coal and railroad developments of the district, and is in a position not only to make good as a legislator, but to get the greatest number of good things for his constituency.

The Times has not heard of any probable candidate from Greene county, although there may be such. If, however, the race is entirely among candidates from Washington county, from the reception he has received and the assurances of support so freely given, we believe Mr. Anderson will be a strong candidate.

A New Home, Sweet Home.

Here's a beautful picture of "Home, Sweet Home," not the one of the old sweet song; but a modern home, built by turtledoves, who sing through the whole day long. They have only been married just one short year, but ah, what a happy pair, and love shines out at the window, and love sits in every chair. Each room in the house is a little gem, the furnishings bright and new, and while not the most expensive, they're handsome and tasty too. The wife is as pretty as she can be and wise as she's pretty besides. She used Chi-Namel on all the floors and recommends it to brides. The Chi Namel Ready-to-Use Graining Process will make any old floor look like new hard wood. It covers all stains and blemishes and makes a new surface. Sold by T. P. Grant's. 7

TIME TO ACT

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Charleroi People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Charleroi prove the effectiveness of this great kidney remedy.

Mrs. John Wilson, Third Street, Charleroi, Pa., says: "Doan's Kidney Pills, procured at Piper Bros.' Drug Store, have been used in our family for backache and other symptoms of kidney trouble and they have always brought great relief. I took this remedy several years ago for disordered kidneys and in view of the good results I received, I recommed it highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Brick Ice Cream.

You should try a brick of Wagners Ice Cream. They have them in all flavors. 1938 1

Men who Know and need clothes will come to us and see our suits at $7.50, $8.75 and $9.85.

Why pay $2 to $5 more?

L. Collins

Head-to-Foot Outfitter

521 Fallowfield Ave., Charleroi, Pa.

Answer to the Question

When thousands of women say that they have been cured of their ailments by a certain remedy, does this not prove the merit of that remedy?

Thousands of women have written the story of their suffering, and have told how they were freed from it by Lydia E. Pinkham's Vegetable Compound—for thirty years these reports have been published all over America.

Without great merit this medicine could never have gained the largest sale of any remedy for woman's ills—never could have become known and prized in nearly every country in the world.

Can any woman let prejudice stand between her and that which will restore her health? If you believe those who have tried it you know this medicine ***does*** cure.

Read this letter from a grateful woman, then make up your mind to give Mrs. Pinkham's medicine a chance to cure you.

Brooklyn, N. Y.—"I am a firm believer in Lydia E. Pinkham's Vegetable Compound. I was a great sufferer from organic female troubles for years, and almost despaired of ever being well again. I had bearing-down pains, backache, headache and pains in my abdomen, and tried Mrs. Pinkham's Compound as a last resort. The result was astonishing, and I have used it and advocated it ever since. It is a great boon to expectant mothers. I have often said that I should like to have its merits thrown on the sky with a search-light so that women would read and be convinced that there is a remedy for their sufferings.

"My husband joins me in its praise. He has used it for kidney trouble and been entirely cured."—Mrs. E. A. Bishop, 1915 Atlantic Ave., Brooklyn, N. Y.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

SPESSARDY'S TRAINED BEARS AT THE COYLE TONIGHT

THE CHARLEROI MAIL

Entered second class mail at Charleroi, June 15, 1900, according to Act of Congress of March 8 1879

VOL. X. NO. 194. CHARLEROI, WASHINGTON CO., PA., WEDNESDAY, APRIL 6, 1910. One Cent

COUNCIL AND SCHOOL BOARD BEGIN BIG JOB TONIGHT

Tax Exoneration List Contains About 2,000 Names.

NEARLY ALL OCCUPATION

Property Taxes Are Well Paid Up in the Borough of Charleroi.

When council and school board meet jointly tonight for the express purpose of taking up the list of tax exonerations in the borough of Charleroi, they will stack up against a big job. It is stated that there will be at least 2,000 names for them to go over and the prospects are for at least two long hard evenings for the borough fathers.

The list of exonerations prepared by Ex-Tax Collector Parsons and Tax Collector J. W. Mathias are practically all for occupation taxes. For the year 1906, all the property taxes are paid, and nearly all for 1907. For 1908 there are a possible 200 yet to collect.

In the occupation taxes for the year 1906 it is stated there are about 200 names on the exoneration list, for 1907 about 500, and for 1908 about 500 names. The names are those of persons whom the tax collectors have not been able to locate, or who have moved from town.

According to the report of Ex-Tax Collector Parsons at the meeting of council on Monday evening, there is $3,669.21 of a balance of uncollected duplicate. The larger part of this is for the year 1908, $2,007.81. For 1907 the balance of uncollected duplicated is $1,202.91, and for 1906 $386.49.

STATE DEPUTY WILL ATTEND RECEPTION HERE ON APRIL 20

The Charleroi Order Knights of Columbus has a social committee consisting of H. T. Correll, D. A. Oates, J. K. Rickey, M. T. Crowley, Cornelius Buchanan, J. P. Regan and Cornelius O'Donnell at work arranging for a reception, dance, euchre and smoker to be held at Turner Hall April 20. The affair will be attended by State Deputy John T. Brew, and is expected to be one of the nicest events ever held by the local order. Invitations have been extended to Sir Knights and their ladies in Charleroi, McKeesport, Washington, Pittsburg and other cities. It is expected that there will be some speaking, and in all probability Mr. Brew will make an address.

Spring Social.

The Christian Endeavor of the Washington Avenue Presbyterian church are going to hold a novel social at the church on April 7, Thursday evening, at 8:15 in honor of Spring. There will be no admission chargd and all are welcome. Decorations will be of wild flowers. 195t2

Delicious.

Brick Ice Cream is the most satisfactory way of serving. Try it. Always on hand at Wagner's. 193tf

Clever Child Artists

Local interest is added to the appearance of Miss Elizabeth Hite at the Coyle Theatre this week in the child song and dance team of Blum and Hite, from the fact that she is the daughter of Charles Hite of McKean avenue, who is employed at the Macbeth-Evans factory. This dainty and clever little miss is only 9 years old, yet she and her partner, Miss Harriet Blum, have already made a good record on the vaudeville stage. They finish their engagement tonight at the Coyle.

PARENTS' AND DISPLAY DAY

On Friday afternoon the first Parents Day in the Charleroi schools this year will be observed, along with display day. Arrangements are being perfected now for the affair, and it is planned to make it one of the best Parents Days ever held in the history of the schools.

The principal feature of the day will be the displaying of work done by every pupil, in every branch of study. These specimens have been saved from the beginning of the year, and this week are being hung in a tasty manner about the various rooms.

Slightly contrary to custom on this particular visiting day there will be some slight change in the usual program. During the afternoon there will be three divisions to the program. The first will be a regular session, during which the teacher will conduct their classes as usual. The next will be literary programs rendered each school, which the grades will conduct conjunctively. This part of the program will consist of the usual literary features and drills. Following this the parents and visitors will be ushered from room to room that they may see and compare the work being done by pupils.

On Thursday afternoon in order that there will be no interference with the adult visitors on Friday the children will be taken for a visit through the schools. The Parent's Day will be the last one for this year, and Superintendent Pentz, the principals and teachers are anticipating a record breaking number of visitors.

Notice.

The Retail Clerks of Charleroi wish to express their thanks to the merchants who have so willingly signed and complied with the agreement of the Retail Clerks relative to the early closing of the stores

They also earnestly solict the patronage of all friends and sympathizers of organized Labor also the public in general to patronize our home merchants, and more especially thoset who display the Union Store cards who believe that twelve hours is long enough for anybody to work.

We also earnestly request the public to aid us in this move by purchasing their goods in the day time when they can make better selections and will receive better service from clerks who do not have to work from early morning till late at night. 195t2

Miss Agnes Rosbottom returned home yesterday after spending some time with friends and relatives in West Virginia.

SHIPMENTS ON INCREASE

There were 19,405,000 bushels of coal locked through Lock No. 4 during the month of March, according to a report of Lockmaster A. F. McGowan, made public this morning. This compared with the 1909 shipments of 17,175,000 indicates a substantial increase.

The lockages down stream were 838, this including 455 steamers. Boats barges and flats were 1,728. Up stream there were 849 lockages, 448 steamers, and 1,754 boats, barges and flats.

During March 1909 there were 718 lockages down stream, 394 steamers and 1,571 boats barges and flats. Lockages up stream were 710, with 389 steamers, and 1,522 boats, barges and flats. The rainfall in March, 1910, was .37 inches and in 1909, 8.01 inches.

In February there were 16,524,000 bushels of coal shipped through Lock 4, and in January 15,158,000 bushels.

MINE QUESTIONS GIVEN OUT TODAY IN EXAMINATION

The questions yesterday afternoon given the applicants for mine foreman certificates by Inpsector F. W. Cunningham, who is in charge of the examination now being held at the Charleroi Savings and Trust company were:

6. State what precautions you would take to reduce accidents from falls of coal, slate and roof.

7. What precautions would you adopt to reduce accidents from the use of electricity and machinery connected therewith.

8. What would be the necessary requirements and the details to be attended to, to insure the proper ventilation of a mine?

9. When would you consider a mine properly ventilated?

10. What are the legal duties of a mine foreman in regard to supplying the workmen with timber and in the use fo the same for his safety?

11. State the causes of mine fires?

12. What are the legal requirements of a mine foreman in regard to reported dangers in the visiting of workmen's places?

13. How would you increase the ventilating current at the working face with the same power?

These questions were second grade questions, Section 2. The questions given this morning, second grade questions, Section 3, were:

14. What conditions are sometimes met with in the working of a mine which would retard its being efficiently ventilated?

15. What would be your method of timbering a room 24 feet in width, the roof being a hard slate and bottom of strong material. State fully.

16. A shaft 500 feet deep is full of water. What is the pressure per square inch and per square foot at the bottom of the shaft?

17. Name the conditions under which the rope or motor haulage systems would become preferable.

18. What precautions would be necessary in working rooms toward the worked out portions of the mine to provide against falls of slate and roof?

19. When should draw slate be posted in machine cut rooms and entries? Give sketch showing how same should be done in each case.

20. A fan 16x8, running at a speed of 100 revolutions per minute, producing 125,000 cubic feet of air, the water gauge being 2 inches, what would be the speed of the fan and the water gauge to produce 150,000 cubic feet per minute.

21. Name the different powers and appliances used in producing ventilation in mines.

A Man Wanted.

WANTED—A man who has finished a house with adulterated Varnish. When he builds again he will inquire for me at T. P. Grant's store.
67 CHI-NAMEL.

Miss Gertrude Minor went to Cleveland, Ohio, today where she will visit relatives. She was accompanied as far as Pittsburg by her brother-in-law, J. F. Laird.

SUBSCRIBING FOR PATROL

For the proposed automobile patrol for Charleroi the sum of $510 has been subscribed, apparently without any effort on the part of the originators of the idea. The subscriptions were all received yesterday. They are: Burgess George W. Risbeck, $100; Charleroi Automobile Co., $100; Chief of Police C. W. Albright, $25; Officer George McEldowney, $25; Officer Alva Osborne $25; W. M. Darby $10; J. J. Hott, $100; Adolph Beigel $25; A. D. Spencer, $100. The movement to secure the automobile was started by Chief Albright and his men, at the suggestion of thers, who had become tired of seeing the "wheelbarrow patrol" in operation.

EARLY CLOSING HOURS BEING ENFORCED IN CHARLEROI THIS WEEK

On Monday evening about all of the principal stores of Charleroi closed at 8:30 p. m. in accordance with an agreement signed with the Retail Clerks union. The closing hours agreed upon are as follows: 8:30 p. m. Monday, and 6 p.m. Tuesday, Wednesday, Thursday and Friday.

This is the result of the united efforts of all the clerks and business men of Charleroi in bringing about the early closing movement which enables them to close the stores and seek an evening's recreation. This system is in force in hundreds of towns all over the country and brings about a better feeling between the merchants and the clerks, as well as between the competing merchants, as they get a chance to get better acquainted with one another.

Expect National Guard Officers to Judge Drill

A committee of Charleroi business men, consisting of D. C. Rush, W. R. Gant and J. W. McKean has completed preliminary arrangements for a competitive drill to be held at the Charleroi Baseball park sometime in the near future, probably the latter part of next week, between the Monessen Cadets, the Monongahela Cadets and the Charleroi Boys Brigade. It is planned to have National Guard officers from Washington, Westmoreland and Fayette counties to act as judges, among whom may be Col. Coulter of Greensberg. The idea grew out of the competitive drill between the Charleroi and Monongahela brigades last Friday.

Beallsville.

Mr. and Mrs. Wilbur Watkins of Cameron, W. Va., are spending a few days with relatives and friends.

Mr. and Mrs. W. H. Weaver entertained at dinner Sunday Mr. and Mrs. Robert Nicholls of South Pigeon Creek and Mrs. Wm. Howden of Scenery Hill.

Mr. and Mrs. H. H. Dawson had as their guests Sunday Joseph Frederick and daughter of Vanceville, James Weaver and daughter, Miss Hilda of Garwood.

Dr. Harry Sargent and Mrs. Sargent of Braddock, after a visit at John Sargent's have returned.

W. R. Stephens, accompanied by Mrs. Stephens, spent the past week at Monessen.

E. E. Bishop is visiting friends in Pittsburg.

A very successful term of school taught by Ray Hetherington at Pigeon Creek has closed. No special program was carried out. The conventional big dinner was served at noon. Mr. Hetherington was the recipient of a handsome present from his pupils.

Notice

The favors for the euchre and dance to be held in Turner Hall Wednesday evening, April 13, for the benefit of St. Jerome's baseball team of the Church league, are on display in the windows of J. B. Schafer's jewelry store. These prizes, which are 20 in number, are particularly handsome. 195t6

REPORT OF MONESSEN BOARD OF HEALTH COMPARES WELL

Donora Seeking Free Delivery

Donora expects to have free delivery of mail within a few months. Board walks have been repaired as recommended and sign boards have been put up, the only thing remaining being to number the houses, and this matter is being taken up now. The receipts at the Donora office last year were $11,450 40, over $2.000 more than last year.

MANY ATTEND OPEN MEETING

The first open meeting of the Adult Bible Class Federation of the Charleroi district was held at Christ Lutheran church last night, and a large crowd attended. The affair was presided over by Coroner James T. Heffran of Speers, who is the district president of the Federation.

There were two sessions held, the first being addressed by Rev. Woodbury of Belle Vernon, in the auditorium of the church, his general theme being the federated movement. The second session was the social session in the Sunday school room, at which time the round table was held. The speakers at the round table were John D. Berryman, on "The Value of the Man:" G. H. Thomas, Monessen, "Man's Duty in the Political World:" W. C. Clark, "Man's Duty to His Church;" Theodore J. Allen, "In Union There is Strength:" James T. Heffran, "Character of the Federated Movement;" H. B. Pierce, Belle Vernon, "Possibilties of the Federated Movement;" Rev. G. G. Kerr, "My Place in the Federted Movement."

Refreshments were served by the social committee. There were a number of out of town representatives present, from Belle Vernon, Monessen and Monongahela.

TRADES COUNCIL DISCUSSES IDEA OF CELEBRATION

Last evening was the regular semi-monthly meeting of the Monongahela Valley Central Trades Council which was held in the P. H. C. hall. There was a good attendance from all of the various trades unions of Charleroi and vicinity and several matters of great importance were discussed. Among them was the early closing movement of the merchants which received the hearty and unanimous indorsement of the entire body.

The advisability of holding a labor day celebration here on the first Monday in September was discussed and further action will be taken later. Earl Taylor, a representative from the Retail Clerks, was elected secretary of the body, filling the vacancy caused by the resignation of J. P. Ferry.

Wednesday special at Wagner's: Orange Sherbet, Raspberry Sherbert and Burnt Almond Ice Cream. 194tf

Sixty-Two Cases of Tuberculosis During the Past Year.

NO SPREAD OF CONTAGION

Great Decrease in Number of Typhoid Fever Cases in Past Six Years.

Borough Clerk J. E. Pittman of Monessen has prepared the eleventh annual report of the Monessn health department for presentation to council at their next meeting.

The general statement is made that during the past year there was no contagion prevalent in the borough. Isolated cases of the most serious character were scarlet fever, diptheria and meningitis.

The following cases are reported: Pneumonia, 28; typhoid fever, 47; erysipelas, 6; scarlet fever, 27; measles, 26; mumps 3; chicken pox, 4; tuberculosis, 62; whooping cough, 11; diphtheria, 11; meningitis 2.

Following is a list of the typhoid fever cases which occurred each year for the past six years: 1904, 226; 1905, 136; 1906, 57; 1907, 52; 1908, 43; 1909, 47. There were 145 nuisances abated by the Monessen board during the year.

The report of Dr. Edwin McKay of Charleroi for the year was as follows: Tuberculosis, 21; typhoid fever, 15; scarlet fever, 36; diptheria, 25; meningitis, 2; measles, 120; German measles, 16; whooping cough, 7; chicken pox, 15; mumps, 4; erysipiles, 4.

Twilight School Closed Yesterday After Good Term

The Twilight No. 2 school, of which Miss Nelle Ryland of Charleroi is teacher, was closed for the spring and summer vacation yesterday with the usual rural school exercises. A literary program was rendered by the pupils in the afternoon. The school house was very prettily decorated in honor of the occasion with ferns and wild flowers. After the renditon of the program in the afternoon the teacher presented the special prizes for perfect attendance, and to each pupil gave a box of chocolate candy. Miss Ryland, who has had a very successfuul first year, was herself the recipient of several presents.

W. R. Markle One of Finest Boats

The W. R. Markel new show boat, with all the equipment of a magnificent palace instead of the customary floating theatre, passed through Lock No. 4 this morning at about 7:50 o'clock, and according to the lockmen was one of the most gorgeous sights ever seen on the river, comparing favorably with the larger Pittsburg playhouse. The boat stopped first at Belle Vernon, and will appear in Charleroi on its nothern trip in about three weeks.

The Great White Plague.

From annual reports of the health board, of Monessen and Charleroi, published elsewhere, it will be seen that tuberculosis cases in the two towns numbered 62 and 21 respectively. As this is a disease which is highly contagious and infectious, and which in most cases dooms its victims to certain death, it will be seen that the Great White Plague has a foothold in this community that should arouse all to a sense of duty in combatting and restricting its ravages.

It may not be generally known that a free State dispensary for the treatment of tubercular patients has been established in Monessen for some time and is doing good work. Little can be done however, in the treatment of advanced cases, although medical science had demonstrated that consumptives in the incipient stages can be cured by correct living and treatment. The presence of so many cases in these two towns that have been reported should command more attention on the part of the people generally in the matter of treating and preventing the spread of the disease. Care, watchfulness and frequent medical examinations should be made whenever the least suspicion is entertained that the disease may exist. Eighty-three cases of yellow fever or Asiatic cholera in the two towns would set the whole country aflame, yet tuberculosis is more deadly than either of these two diseases, and should be as much feared and combatted.

Do It Now.

Anent the Donora incident last week, when some widely divergent newspaper accounts appeared concerning a political meeting in that town, the California Sentinel suggests that it might have been a good plan for some impartial organ to have sent its representative there for the purpose of getting the facts and real sentiment at the meeting. To this the Washington Observer retorts that it had its representative there, and that its account must of necessity be correct, despite the lurid coloring with which the account was touched up.

While the Mail is satisfied with the real political sentiment that existed at the disorderly political meeting in Donora, it is not too late yet for an impartial investigation, if some of the newspapers are still unsatisfied as to conditions there. The Mail will stand half the expense of sending a representative to Donora if the Observer will stand for the other half, and let the Sentinel select the man. An impartial investigation by that means might satisfy those who discredit the partisan reports of the papers who have their personal preferences.

Clear Up the Titles.

The legal proceedings instituted by the owners of the properties selected by the Government for the site of the Federal building in Charleroi, to clear up the titles of the old unsatisfied lien entered against a large portion of the site of Charleroi in 1839, is what every property owner in the affected plot should do. This must be done sooner or later, as it is not likely any such property could be transferred now until this flaw in the title is eliminated. In addition to this it is possible for other complications to arise that might be productive of more or less trouble in the future.

It has been suggested that this obstacle might be removed by a blanket proceeding that would include the entire original plot, now divided up into numerous holdings. While this might be rather a cumbersome proceeding, in view of the large number of individual property owners now affected, it would probably be cheaper than to take each property singly. As it is few people will care to invest in a property until the title is valid. It is not the part of wisdom to delay.

ELECTRIC SPARKS

The funniest part of some jokes is the way people refuse to laugh.

The man who invents a way to keep women's hats on, without resorting to those hateful pins, is scheduled to ecome a millionaire.

Among the upleasant knocks which councilmen and members of the school board get the year around come the relief afforded by going over the tax exoneration list.

Wonder if Horace Fletcher, the expounder of Fletcherism, thinks it will harm one to drink drug store booze?

Wonder why it is that the fellow who always wants you to do the most favors for him, always takes his business elsewhere?

One advantage of living in Abraham's time was the low price of beef steak.

Some millionaire might indulge his taste for antiques and promote the long life of the people in general if he would buy up the cold storage eggs.

The reason some maids refuse to work for some families is because the families want them to work all the time without sleep and feed.

"Now isn't that too nice for anything" will be a common expression on Friday, when the parents visit the schools. But when you hear that, you will always find that the parent is looking at her offspring's work.

If every individual property owner in Charleroi has to pay attorney fees, and all the other expenses of having their titles cleared, they never will again growl on the price of meat.

The funny part of it is, how can these music composers get any worse than they have been getting in the past? Yet every ragtime piece seems to be a little worse than the one before it.

In the matter of amending the peddling ordinance council did not think it wise to do so—Donora News. Do so what?

CURING CATARRH

Accept Our Advice and Try This Remedy at Once.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh, therefore, may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflamation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to her even more serious afflictions.

We honestly believe Rexall Mucu-Tone will do wonders toward overcoming catarrh. It is made from the presciption of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form to give Rexall Mucu-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that anyone could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and $1.00. Remember you can obtain it only at our store—The Rexall Store. John W. Carroll.

OPERNTORS AND MINERS ADJOURN WITHOUT ANY ACTION IN AGREEMENT

The miners and the coal operators of the Pittsburg district adjourned early yesterday afternoon without arriving at an agreement. Samuel Taylor in whose offices in the Lewis Block in Pittsburg the conference was held, said the status of the negotiations remain the same. He also said that the meeting ended without deciding when or where the next meeting is to be held.

Francis J. Feehan, president of the Pittsburg miners, said they had been unable to reach an agreement. Asked about the next meeting he replied it might be today or tomorrow, but he was not sure.

The result of yesterday's conference indicates that the miners may be idle a little longer than expected, but there is no fear that a prolonged strike will ensue. Developments before the end of the week may entirely change the complexion of the present situation.

Free Collar Stays — Any lady presenting this advertisement at our parlors will be given complimentary set of Spirella Collar Stays. The Spirella Corset Shop, Keenan Building, Pittsburg.

This contractor got results.

Some years ago a contractor building a railroad in a warm climate was troubled a great deal by sickness among the laborers.

He turned his attention at once to their food and found that they were getting full rations of meat and were drinking water from a stream near by.

He issued orders to cut down the amount of meat and to increase greatly the quantity of Quaker Oats fed to the men.

He also boiled Quaker Oats and mixed the thin oatmeal water with their drinking water. Almost instantly all signs of stomach disorders passed and his men showed a decided improvement in strength and spirits. This contractor had experience that taught him the great value of good oatmeal.

The cost was small; 10c for regular size packages; it is also packed in large size family packages at 25c.

ANDERSON STRONG IN GREENE COUNTY

Waynesburg Republican Daily Paper Declares Strongly in His Favor.

The following article appeared in the Waynesburg Times on Thursday, March 31:

Mr. A. H. Anderson of Venetia, Washington county, Pennsylvania, a member of the Washington County Bar, and a young attorney of prominence, has announced his candidacy for State Senator in the Forty-first district, composed of Washington and Greene counties.

Mr. Anderson is the only son of the later Dr. D. M. Anderson of Venetia who for several terms represented Washington county in the Legislature, where he was held in the highest esteem and in which he exerted large influence. The name is an honored one in our neighboring county.

A. H. Anderson, Esq., familiarly called "Hop" Anderson by his fellow friends, is a young man of good character, strong in his friendships, well educated, clean-handed and commercially and legally successful. He is an alumnus of Yale, president of the First National Bank of Finleyville, Pa., a director in many local corporations and a first-class campaigner.

Though devoted to the arts of peace, when war with Spain was declared, he promptly volunteered in Co. H of "The Fighting Tenth," and under the brilliant Colonel Hawkins, saw full service in the the far-off Philippines, where he more than made good in all times and places. No duty was irksome enough to draw from him a protest, no task so severe as to induce a complaint, no ration so "rotten" as ever to get his name in a "Round Robin." He obeyed orders as a good soldier and was held a model service man by all his superiors as well as by his comrades. Of friends he had legion; of enemies none, not only in the 10th Regiment but thoughout Uncle Sam's invading army, where he ranked as one of the most companionable of men and dependable of soldiers.

In proof of his popularity might be cited his election as president of the "Tenth," at its fifth reunion, an honor unique in military annals; and it might be added his executive ability has never been excelled.

Prior to the nomination for State Senator from the 46th district, then composed of Washington and Beaver counties, Mr. Anderson had been selected by many of the leading Republicans to be their candidiate for the State Senate, and as the nomination had gone to Beaver county the last time it was generally conceded that the nomination would come to Washington county. However, the Legislative Session of 1906 passed an apportionment bill, which put Washington and Greene counties together. Mr. Anderson still remained in the field, and looked as though he would receive the unanimous support of his county. However, the Hon. John M. Berry, for two terms a member of the Legislature and a prominent and well known man throughout the county, was announced, and being a very strong candidate, it was thought there would be a very close race. At the convention, however, it was found that Mr. Anderson's vote exceeded Mr. Berry's almost three to one and his popularity was shown more than ever by defeating such a strong candidate.

Greene county also had a contest between the Hon. D. S. Walton and Hon. J. P. Teagarden, which resulted in a victory for the former. The nomination than lay between the two counties, and Mr. Anderson, throughout the entire negotiations, was fair and just to Greene county, for as he had been delegated full power to make the rules, he agreed that Greene county should have equal representation. Two conferences were held, after which it was decided that the matter would have to be put up to the State Committee. While Mr. Anderson did all in his power to win he was absolutely fair in his treatment of Greene county, and was not deaf to the claims they presented.

When Senator Walton was nominated, Mr. Anderson and his friends supported him most loyally, making his election sure to the high office, which he has filled with such signal ability. Today Mr. Anderson's friends insist that he is the logical man to succeed to the Senatorship, and they ask Greene county Republicans to assist in his election to this office. Mr. Anderson is a successful business man, in close touch with the coal and railroad developments of the district, and is in a position not only to make good as a legislator, but to get the greatest number of good things for his constituency.

The Times has not heard of any probable candidace from Greene county, although there may be such. If, however, the race is entirely among candidates from Washington county, from the reception he has received and the assurances of support so freely given, we belisve Mr. Anderson will be a strong candidate.

Wednesday specials at Wagner's: Orange Sherbet, Raspberry Sherbet and Burnt Almond Ice Cream. 194t1

A New Home, Sweet Home.

Here's a beautful picture of "Home, Sweet Home," not the one of the old sweet song, but a modern home, built by turtledoves, who sing through the whole day long. They have only been married just one short year, but ah, what a happy pair, and love shines out at the window, and love sits in every chair. Each room in the house is a little gem, the furnishings bright and new, and while not the most expensive, they're handsome and tasty too. The wife is as pretty as she can be and wise as she's pretty besides. She used Chi-Namel on all the floors and recommends it to brides. The Chi Namel Ready-to-Use Graining Process will make any old floor look like new hard wood. It covers all stains and blemishes and makes a new surface. Sold by T. P. Grant's. 7

TIME TO ACT

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Charleroi People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Charleroi prove the effectiveness of this great kidney remedy.

Mrs. John Wilson, Third Street, Charleroi, Pa., says: "Doan's Kidney Pills, procured at Piper Bros.' Drug Store, have been used in our family for backache and other symptoms of kidney trouble and they have always brought great relief. I took this remedy several years ago for disordered kidneys and in view of the good results I received, I recommed it highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Brick Ice Cream.

You should try a brick of Wagners Ice Cream. They have them in all flavors. 1981t

Charleroi, Pa.

Another Question

When thousands of women say that they have been cured of their ailments by a certain remedy, does this not prove the merit of that remedy?

Thousands of women have written the story of their suffering, and have told how they were freed from it by Lydia E. Pinkham's Vegetable Compound—for thirty years these reports have been published all over America.

Without great merit this medicine could never have gained the largest sale of any remedy for woman's ills—never could have become known and prized in nearly every country in the world.

Can any woman let prejudice stand between her and that which will restore her health? If you believe those who have tried it you know this medicine *does* cure.

Read this letter from a grateful woman, then make up your mind to give Mrs. Pinkham's medicine a chance to cure you.

Brooklyn, N. Y.—"I am a firm believer in Lydia E. Pinkham's Vegetable Compound. I was a great sufferer from organic female troubles for years, and almost despaired of ever being well again. I had bearing-down pains, backache, headache and pains in my abdomen, and tried Mrs. Pinkham's Compound as a last resort. The result was astonishing, and I have used it and advocated it ever since. It is a great boon to expectant mothers. I have often said that I should like to have its merits thrown on the sky with a search-light so that women would read and be convinced that there is a remedy for their sufferings. "My husband joins me in its praise. He has used it for kidney trouble and been entirely cured."—Mrs. E. A. Bishop, 1915 Atlantic Ave., Brooklyn, N. Y.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
